2020 Annual Fall Workshop

Friday, November 13th
8:30am-12:30pm via Zoom

To register for this event, please go to
<http://www.maine-cda.org/>

Join us to learn about future trends in higher education and the world of work, how people and organizations can leverage the current context to design new pathways, and inequities in life and career outcomes for under-represented minorities largely due to the transactional systems in higher education and talent acquisition.
